NOTE.

This edition of the Merchant Taylors' School Register owes much valuable information to the two earlier editions, viz. (1) 'A Register of the Scholars admitted into Merchant Taylors' School from 1562 to 1874,' compiled from authentic sources and edited by the Rev. Charles J. Robinson, M.A., Rector of West Hackney; printed and published for the Editor by Farncombe & Co., Lewes. Volume I (1562–1699) 1882; Volume 2 (1699–1874) 1883. (2) 'Merchant Taylors' School Register, 1871–1900'; compiled and edited with notes and appendices by the Rev. William Baker, D.D., formerly Head Master of Merchant Taylors' School, Hon. Fellow and sometime Fellow and Tutor of St. John's College, Oxford, Prebendary of St. Paul's, printed for the Editor by Richard Clay & Sons, Limited, London and Bungay, 1907.

The present Editor, who undertook the task of revision by the desire of the Merchant Taylors' Company, has been able to add little or nothing to many of Dr. Baker's notes in the second of the above-mentioned works, and he wishes gratefully to acknowledge the help which he has received from Miss A. Wilmot Baker, who has kindly read the whole of the proof and has helped him to recover many addresses.

For the purpose of this edition a form of inquiry was sent to all O.M.Ts. whose addresses were known. Some of the replies have brought corrections of the original entry in the Register, and the majority of these have been accepted. By the desire of many O.M.Ts. who have changed their names or hyphenated two of their names since their admission to the School, the entries in this edition are given under the present names; but in all such cases there is a cross-reference in the Index. To facilitate reference, the names under each date of admission have been arranged in alphabetical order.

With few exceptions the notes are given in the order of time. Thus the details of service in the European War appear in some cases as the interruption of a University or other career; and when the first career was not resumed, the notes referring to the new career appear after the details of service.

Some attempt has been made to indicate the Fronts on which each man served, and for this purpose abbreviations in brackets have been used, as shown in the list of abbreviations. Where a man served in the ranks, and afterwards obtained a commission in a different regiment, both regiments are given, in the order of

service, with the highest rank attained in each. A Maltese cross has been prefixed to the names of those who gave their lives in the European War.

The Editor's task has been made possible by the co-operation of his wife, to whose labours during many years upon the School records this book owes the greater part of whatever accuracy it may be found to possess. His thanks are also due to the Head Master, to his colleagues, and to O.M.Ts. of the whole period under review, who have shown great patience under his inquiries, and many of whom have read portions of the proof or supplied valuable information for the notes or the appendices. He is especially grateful to his friend and former colleague, Mr. C. W. Payne (O.M.T.), for having read the whole proof with meticulous care.

Corrections for the next edition of the Register should be addressed to the Secretary, Merchant Taylors' School, E.C. 1.

IV. ATHLETIC SPORTS.

According to present arrangements the annual Athletic Sports are held at Charterhouse Square on the second Saturday before Good Friday. The change from Summer to Lent term was first made in 1915; it has since been continued as it proved more convenient to the competitors and to the games in general. During the early part of the war the Whittington (Open Championship) Cup was not awarded, owing to the absence of all the senior boys.

During the war the increase in prices made it impossible to charge the same entrance-fees if prizes were to be awarded. Mr. Bampfylde, who was then President of Games, therefore made the experiment of abolishing all prizes, and reducing entrance-fees to a nominal sum. The result was a very large increase in entries for all events. As each successive year has shown an increase in the number of competitors the system has been retained. Instead of prizes there is now a silver challenge cup to be won in every event and class; these trophies have been given for the most part by parents or friends of O.M.Ts. who fell in the war. In addition to the challenge cup, which he holds for one year, each winner who gives a creditable performance receives and keeps a pewter cup bearing the arms of the School.

APPENDIX H.

SCHOOL INSTITUTIONS.

1. The School Mission.

Founded in Shacklewell in 1890, as the result of a meeting held in the School Hall on July 11th of the previous year, with the Head Master (Rev. Dr. Baker) in the Chair, supported by Bishop Thornton, of Ballarat, the Ven. Archdeacon Hessey, and many other Old Merchant Taylors. The Mission buildings were opened by the Bishop of London on July 11th, 1890. In 1897 further land was acquired, and an iron room erected for club and other purposes. The present Mission Church of St. Barnabas, Shacklewell, erected at a cost of about £5000, was dedicated on May 8th, 1910, by the Bishop of London. The Architect was Prof. C. H. Reilly, O.M.T. Subscriptions to the Mission should be sent to Mr. E. M. Carrington (2, Gresham Buildings, Basinghall Street, E.C.), who has acted as Secretary and Treasurer to the Mission since 1902.

2. The School Choral Society.

Founded in 1875, under the Presidency of the Rev. J. A. L. Airey. From 1876 to 1914, and since 1920, an Annual Concert has been given in the Great Hall of the School, except in 1894, when, the School Hall not being available, it was held at Merchant Taylors' Hall at the invitation of the Master and Wardens of the Company. Since Mr. B. P. Waller began the work of training and conducting in 1920, he has revived a School Orchestra which played first in the 1921 concert. At present the concert is held every year on the evening before Ascension Day. The following have been Presidents of the Society :

1875–81. Rev. J. A. L. Airey.
1881–83. Rev. R. A. Byrde.
1884–85. Rev. J. A. L. Airey.

3. The Officers Training Corps.

In March, 1900, at a meeting of the School, it was decided that, subject to the approval of the Court of the Merchant Taylors' Company, a Cadet Corps should be formed, and on the subsequent 27th September the Adjutant-General (Sir Evelyn Wood) gave "authority for the formation of a Cadet Company of Voluntary Rifles to be attached to the London Rifle Brigade Cadet Corps, and to be recruited from the Merchant Taylors' School." The Corps, established on a voluntary basis, acted with the L.R.B. only at the Annual Inspections and on occasional field-days. Training was conducted at Charterhouse Square, and the initial expenses of the Corps—provision of uniforms, armoury, etc.—were met by a grant from the M.T. Company.

The first volunteers, numbering 100, were divided into four sections under the commands of Sergeant Harcourt-Smith, Corporal Boyd, Lance-Corporal Green, and Cadet Sherwin; other volunteers were placed in a reserve. By the beginning of March, 1901, the Company (commanded by 2nd Lieut. F. J. W. Whipple) was so far advanced in its training as to take part in three field-days with the L.R.B.C.C., in conjunction with the H.A.C. and several other Public School Corps. These field-days all took place on Saturday afternoons, and lasted until 8 or 9 o'clock in the evening. Later the Company was inspected by Major Lord Bingham, who expressed satisfaction with the efficiency of the Corps. The Annual Inspection of the L.R.B. was held in Hyde Park, and 86 Cadets from M.T.S. were present.

After the impulse of the South African War had passed away numbers grew less, ranging between 50 and 80, but the training was efficiently and enthusiastically carried out by the Corps.

At the Public Schools Brigade Summer Camp, M.T.S. for the first time sent sufficient cadets to Camp to form a separate Company.

In the autumn of 1908 the Cadet Corps became, in accordance with Lord Haldane's scheme, a part of the Junior Division of the Officers Training Corps. A band also was formed about this time, and did useful work henceforward on field-days and ceremonial occasions. The total strength of the Corps was now just over one hundred. The Army examination for Certificate A formed a part of the year's work, and a number of M.T.S. cadets competed successfully in the annual examination (practical and theoretical) conducted by the War Office.

After the Summer Camp of 1911, Capt. Whipple, who had been in command of the Company since its foundation in 1901, resigned, and the flourishing condition and general efficiency of the Corps at his retirement are his best testimony. The command passed into the hands of Capt. R. W. Hallows, who was succeeded in April, 1913, by Major D. Davies.

In June, 1912, the Miniature Rifle Range was opened at the School by Maj.-Gen. A. E. Codrington. During the next three years (1912–1914) the numbers of the Corps steadily increased, until of those who were eligible to join very few indeed were not serving with the O.T.C., which was still on a voluntary basis. With the impulse of the European War training was intensified, especially for Senior Cadets, who practised bayonet-fighting and other exercises (drill and tactical) with a view to active service. That Cadets were allowed to remain to the age of 18½ years before going to an Officers' Cadet Battalion, instead of being conscripted at 18, shows that the O.T.C. training was practically useful, and was recognised as such by the War Office. A great majority of the O.M.Ts. who served obtained their commissions as a direct result of this training, and the numbers of decorations gained testify to its permanent value. When the officers then serving with the O.T.C., Capt. D. Davies, Capt. E. S. P. K. James, and 2nd Lieuts. T. W. Callinan, J. L. Fryers and G. R. Buck joined the forces abroad, Mr. C. W. Parkes took up the position of Officer Commanding, with the rank of Lieutenant. Under him were Lieuts. T. W. Lumb, J. B. Patterson and E. T. Allen, and together these officers by their work during very difficult years maintained the high standard of the Corps on parade and in the field.

From 1915 to 1917 the Contingent attended camps at Petersfield and Sunningdale, which were largely organised by the School, as the War Office was no longer arranging official camps. Dulwich College, St. Paul's, Epsom and Cranleigh joined us in these camps, which were an indispensable part of the year's training. Camp in 1918 was prevented by an influenza epidemic, but ever since the School Contingent has formed a complete Company at camp, the platoons being commanded by the Contingent Under-Officers.

September, 1918, saw the introduction of the compulsory system, by which all boys of fourteen and over are bound, unless physically unfit, to join the O.T.C. The system is obviously beneficial to the Corps through the increase in strength

(though even under the voluntary system the number of eligible boys not serving was very small); but the whole School also has benefited in that boys who would otherwise do nothing for the School are brought into contact with School activity.

The uniform worn by the O.T.C. has passed through several changes. At first it was like the L.R.B. uniform—black with shako; equipment consisted of bandolier, belt and frog, and water bottle. In 1903 khaki was adopted for field work, the black Rifle uniform being retained for ceremonial. The black band was also retained round the service cap as a relic of the past, and is worn till the present day. Web equipment with pouches took the place of the old-fashioned leather belt and bandolier in 1912, and this again was exchanged for the 1914 pattern leather equipment in 1921. The Corps was armed successively with carbines, "D.Ps." and almost every other variety of rifle, until finally there were issued short Lee-Enfield service rifles, Mark III.

The Sir Thomas White Shield.

In 1902 the Sir Thomas White Lodge presented to the Cadet Corps a challenge shield to be held by the best all-round section. A competition for this shield has been annually held and the number of the winning section and its commander's name is inscribed on it. Since the reorganisation of the O.T.C. on the four-company system, the shield has been awarded to the most efficient platoon in a competition conducted by an external officer.

4. Merchant Taylors' School Club.

Founded in 1880 with the object of providing a means of re-union for O.M.Ts. Half-yearly dinners have been held continuously since June, 1881, with the exception of the war period. The present membership is over 400. A part of the sum received in subscriptions is voted from time to time to a Benevolent Fund for the relief of necessitous O.M.Ts., or the education of their children.

The subscription to the Club is £1 5*s*., payable on the 1st January each year. Life members are admitted on payment of £21, or, if over 50 years of age, on payment of £10 10*s*. In addition to the half-yearly dinners, the privileges of the Club include the *Taylorian*, which is forwarded to any part of the world.

During the period of three years after leaving the School, or if permanently resident in the United Kingdom outside a radius of 50 miles from Charing Cross, O.M.Ts. are eligible for membership on payment of a subscription of 5*s.* per annum. Such members receive the *Taylorian* and all Club notices, and have the right to attend Club dinners on payment of the amount fixed from time to time by the Committee. The subscription for foreign members is 6*s.* per annum, or £1 for four years. This subscription entitles members to the *Taylorian* and all Club notices, and to attend the dinners when on leave on payment of the amount fixed by the Committee from time to time.

5. Old Merchant Taylors' School Club in South Africa.

This was started in 1908 for the purpose of keeping the Old Boys in S. Africa in touch with each other, and also to give information to any boys who might think of going out to the Dominion. There is no subscription, and members receive a free copy of the *Taylorian*. There are about twenty Old Boys whose addresses are known. Secretary: G. M. Clark, Rand Club, Johannesburg.

6. Old Merchant Taylors' Football Club.

Founded in 1882, with M. Shearman, now the Hon. Mr. Justice Shearman, as its first President. The difficulties of the early period were overcome largely by the enthusiasm of L. H. Gunnery, who for years not only captained the side, but acted as both Secretary and Treasurer. In 1895 H. B. Hays took over from him the arduous work of Secretary, and has held that position ever since.

The Club has ranked as a first-class side since 1889, and has enjoyed great

success. In 1890–91 an A team was run for the first time, and by 1913–14 six teams were regularly taking the field. The war sadly depleted the ranks, but now, in 1923, six sides are again being run, and there is a playing membership of over 150. In November, 1922, the Club migrated from the Old Deer Park, Richmond, which it had shared for some years with the Rosslyn Park Rugby F.C., to the O.M.T. Memorial Ground at Teddington.

7. Old Merchant Taylors' Cricket Club.

Founded at a meeting held at the School on March 5th, 1912, this club took over the fixtures of a wandering side of Old Boys which had existed for two seasons under the name of The Goblins. Its first appearance was at Roehampton in a drawn game on April 20th, 1912, and its first year was successful enough to warrant the arrangement of an ambitious programme for 1913, when, in addition to matches with most of the best known London clubs, a Kent tour was arranged, and the side accepted the invitation of the Old Haileyburians for a fixture in their week. In 1913 and the first part of 1914 the club was very successful. Two elevens were run regularly, and until the outbreak of war in August, 1914, the first eleven were undefeated in that season.

The club was revived in 1919, when it had a fairly successful season, and by 1921 the fixture list had resumed a pre-war appearance. During the season of 1922 recovery was rapid. Two elevens were more easily found, and the sides turning out were more regular in personnel. In future years the possession of a really fine ground, affording opportunities for practice and a continuity of good matches, should have a marked effect on the fortunes of the club.

8. Old Merchant Taylors' Rifle Club.

The above club was founded in 1906. It is open to all O.M.Ts. Facilities are provided for shooting on the miniature range during the winter months and on the open range during the summer. One of the main objects of the club is to provide a team to shoot for the Public Schools Veterans' Trophy at the Bisley Meeting. For miniature shooting, the range at the School is used by permission of the M.T. Company. Full range shooting takes place at Bisley. The officers of the club are :—President : The Rev. J. A. Nairn, Litt.D., B.D. Captain : G. Mackenzie, 59, Mark Lane, E.C. 3. Hon. Sec. and Treasurer : H. C. Frampton, 49, Poppleton Road, Leytonstone, E. 11.

9. The Sir Thomas White Lodge, No. 1820.

This Institution, which is the first of the Public School Lodges, was founded in 1879, and is one which, like the Merchant Taylors' School Club, owes its inception largely to the activity and energy of the late Rev. R. F. Hosken.

The original founders were Robert Grey, W. Rhys Williams, G. Henri Bué, F. J. Vialls, Rev. R. F. Hosken, Thomas Trollope, W. Brown, J. J. Forrester, J. M. Hare, and A. Cooper (afterwards Sir A. Cooper). The Lodge has prospered exceedingly, and now (1922) has a membership of 62, composed entirely of O.M.Ts. The following have served the office of Master :

Robert Grey, W. Rhys Williams, Thos. Trollope, F. J. Vialls, Rev. R. F. Hosken, G. Henri Bué, Henry Grey, W. H. Baily, W. H. Cobb, F. Gordon Brown, W. H. Johnston, H. J. Wild, J. H. Davidson, R. H. Summers, Henry Grey, jun., C. Attersoll Smith, G. R. Barnett-Smith, C. J. Gunyon, R. G. Fenn Kidson, G. L. Crimp, R. Davies, E. J. D. Wigginton, M. F. Oxenford, R. W. James, J. Fayrer Hosken, E. Prescott, H. B. Hays, J. A. Hawke, H. J. Brinsmead, M. F. Waters, D. A. Elliott, P. L. Lancaster, R. W. Foster, W. W. Dearle, A. Heiron, R. E. Burnege, S. G. Felce, and occupying the Chair at present (1922), A. D. Hays.

O.M.Ts. wishing to join the Lodge should apply to the Hon. Sec., E. J. D. Wigginton, 40, Tweedy Road, Bromley, Kent.

10. The Sir Thomas White Royal Arch Chapter, No. 1820.

The above Chapter was founded on the 25th January, 1922. The Consecrating Officers, with one exception, were O.M.Ts.

The original founders were Henry Grey, jun., W. H. Johnston, R. G. Fenn Kidson, R. W. Foster, A. Heiron, E. J. D. Wigginton, R. E. Burnege, G. R. Barnett-Smith, W. W. Dearle, G. L. Crimp, R. T. D. Sayle, and C. J. Stuart Pitts.

There is every reason to believe that this Chapter will prove as successful as the Sir Thomas Lodge, the membership having increased already (1922) to 21. O.M.Ts. who are Freemasons are eligible to join, and those wishing to do so should apply, as in the case of the Lodge, to E. J. D. Wigginton, 40, Tweedy Road, Bromley, Kent.

11. The 'Taylorian.'

The School Magazine has had a continuous life since October, 1878, and much of the information contained in this volume has been derived from its pages. It is entirely self-supporting, and has a circulation of about 900 among past and present Merchant Taylors. Two numbers are published each term. The subscription is at present 6*s.* 6*d.* (post free) for one year, or £1 5*s.* (post free) for five years. Most of the back numbers are still obtainable, price 1*s.* each. Cheques and postal orders should be made payable to Merchant Taylors' School, and sent to the Editor at the School.

12. Merchant Taylors' School War Memorial.

A meeting was held on October 31st, 1917, at the Merchant Taylors' Hall, with the object of creating a fund for the erection of a Memorial to O.M.Ts. who had fallen in the war, and M.Ts., parents, relations and all interested in the School were invited to support the scheme. About £10,000 has been subscribed, and the total, with interest, etc., amounts to over £11,000. In addition to paying the school fees of certain boys, sons of O.M.Ts. killed in the war, and the erection of a Memorial Tablet at the Mission Church and a Memorial at the School, a plot of ground at Teddington, some 12 acres in extent, has been purchased for the use of O.M.Ts. for football, cricket and tennis. A separate Fund has since been created for the erection of a Pavilion on the Sports Ground, at a cost of about £5500. Subscriptions are still needed to complete the work.

The War Memorial Ground was declared open and the Memorial Tablet in the Pavilion unveiled by the Lord Chancellor (Viscount Cave) on Saturday, November 25th, 1922.
